ANNUAL LITERARY CONTESTS.

Excelsior, Eurekan and Philomathean Literary Societies Participate In the Annual Contests.

The annual inter-society contests were held in the Normal auditorium, May 22-23. The contests are those in debate, oratory, declamation and essay. Monday night, the auditorium was the scene of a well fought battle in debate. The Philomatheans and Eurekans were entered in debate, arguing the question "Resolved, That Further Restriction of Immigration is Imperative." Lowell L. Livengood and Earl C. Borchers, Eurekans, took the affirmative of the question, while N. C. Wagers and Miss Carrie Coler, Philomatheans, held the negative. Many have said that this debate is the best ever given in the Normal auditorium. The contest was a close one, the Philos winning by a narrow margin.

The judges were Rev. William Moll Case, pastor of the First Presbyterian church; Rev. C. Emerson Miller, pastor of the First Christian church; and William G. Sawyers, prosecuting attorney.

The oratorical and declamatory contests were held Tuesday night, the winners in the essay being announced at this time. The Excelsior society, just organized this year, was represented in each of the above. The representatives and their selections were: Declamation, Miss Ivah Barnes, Philomathean, "The Littlest Rebel;" Miss Ruth Sweet, Excelsior, "Cupid and Dickie;" Miss Elizabeth Sobbing, Eurekan, "As the Moon Rose;" Oratory, William Utter, Philomathean, "The Dawn;" Chas. McReynolds, Eurekan, "The Cost of Luxury;" Warren Vanseeoy, Excelsior, "Possibilities." The declamations were interestingly and well rendered. The orations given were written by the young men. Honors in oratory and declamation were divided between the two older societies, Chas. McReynolds, Eurekan, winning in the former and Miss Ivah Barnes, Philomathean, in the latter. The contest was very close, Mr. McReynolds winning over Mr. Utter by one third of a point and Miss Barnes winning over Miss Sobbing by the same.

Those entering in the essay contest were: Miss Anna Wells, Miss Mahala Saville, Maurice B. Fitzgerald, Eurekans; Miss Lucile Snowberger, Miss Eleanor Richie, Henry A. Miller, Philomatheans; Miss Mary Ellen Fitzmaur-

rice, Excelsior. First place in this was awarded to Henry A. Miller, Philomathean; second to Miss Mahala Saville, Eurekan, and third to Miss Eleanor Richie, Philomathean.

The judges in oratory and declamation were Miss Alicia Keeler, Mrs. Berney Harris and W. M. Westbrook. Mr. Evard, head of the English department in Missouri Valley College, Marshall, Mo., was judge of the essays.

Each society had its part of the auditorium roped off with society colors. The crowds were small, due to the fact that many wanted to see "The Battle Cry of Peace" films which were being shown up town both nights. The Normal School orchestra furnished music both evenings.

These yearly contests keep up a friendly rivalry between the societies and inspire them to do better work.

Summer School Opportunities.

The students who are attending this session of the summer school are helping to make it one worthy of mention in the history of the school. First, the enrollment for the term, according to indications will be larger than that ever recorded for a summer school. Second, the students will this year, have the opportunity of attending the annual commencement exercises which are to be held June 11-13. June 14 marks the tenth anniversary of the founding of the school. This will be celebrated in an appropriate manner by present students and faculty and by former students and friends of the school. The Coburn Players will be here June 26 and 27, at which time

they will present two Shakespearean plays, "Hamlet" and "Richard III," also "The Rivals" by Sheridan. For those who have not heard the Coburn Players this is a treat indeed. It is a pleasure for many to attend these plays and it suggests to the teacher of English many unthought-of ideas and interpretations.

Besides the above mentioned there will be lectures by well-known educators of the United States.

Students, make this ten weeks of your life one long to be remembered.

Hopkins Teachers Elected.

The following alumni have been elected to teach in the Hopkins Public Schools the coming year: Miss Ethel Metzger, '15, principal; Miss Minnie Everhart, '14, third and fourth grades; Miss Neva Kathryn Brown, '08, first grade. The other teachers are: J. L. Niernan, Supt; Miss Nell Jones, Latin and English; Miss Lois Perin, seventh grade; Miss Ruby Key, fifth and sixth grades. The eighth grade teacher has not been selected.

Graduates From University of Chicago.

E. R. Hughes, of Albany, and a former student here has a position as principal of the High School in Riverside, Illinois. Mr. Hughes will teach science. He graduates from University of Chicago this summer.

Do not miss the Senior play Monday night June 25.

You will regret it if you do not hear the Coburn Players June 27 and 28.

MARYVILLE TEAM IS SIXTH.

Normal Track Team Wins Sixth in Inter-Collegiate Meet—Rainy Weather Causes A Slow Meet.

Maryville Normal was sixth in the annual track and field meet of the Northwest Missouri Intercollegiate Association held at Tarkio Friday, May 19.

The preliminaries were run Friday morning in the mud and rain. The finals in the afternoon were run off under conditions just as bad.

Maryville placed two men in finals, Ralph McClintock in the 220-yd dash, and 440-yd. dash and N. C. Wagers in 220-low hurdles. McClintock won second in the 440-yd. dash and fourth in the 220-yd. dash.

Wagers got third in the 220 low hurdles. "Dad" Scarlett got a third place medal in the high jump and the relay team finished fourth.

In tennis the Maryville team, Staples and Powell easily outclassed the Tarkio team in both doubles and singles. They were unable to play finals with Westminster and William Jewell, because the rain spoiled the courts. The finals were played off in Kansas City. In these the Maryville team was defeated, getting second in doubles and second in singles.

Staples lost to Sullivan of Westminster in the singles and Staples and Powell lost to Davis and Evans of William Jewell in the doubles.

The winning schools were: William Jewell 35½, Springfield Normal 23½, Westminster 22, Tarkio College 20, Kirksville Normal 12, Maryville Normal 4. Maryville beat out both Central and Drury College.

Only one record was broken, that of the discus throw, which was won by Graves of Kirksville; distance, 111 ft; former record 110 ft. 3½ in. The record for the 100-yd. dash was tied at 10.2-5 seconds, by Schwab of Westminster. Most of the other records were poor on account of the slow track.

It is not known definitely where the next meet will be held but it is thought that the committee, which was appointed to meet in September, will choose some place more centrally located. This will make it much easier for all schools to get there without a long tiresome trip.

Concentrate and Save Time.

The most common remark which a student in summer school makes is, "Oh! it's too hot to study." The real fact of the matter is that the majority of students do not know how to study. Quite often one will take his book, sit at a table where there are two or more of his classmates, open his book and begin to read. And then he reads a few lines and glances up to see who came in. He reads three or four more lines. Suddenly he thinks of something to ask his neighbor — that something could not be postponed. After the short conversation the student again looks at his book. Before he realizes it one hour of his time is gone, he has read a very small part of his lesson and does not know what he has read. Perhaps this same person will waste another hour of his time on the same lesson. Had this person decided to master this lesson, he could have centered his thoughts on that lesson and made good use of thirty minutes of time. It takes work to concentrate. Many are so conscious of their effort that they think more of that than of the lesson. He may, thru interest, forget that he is studying and that the weather is so disagreeable. Concentration will save time, that element most desired by all students.

Our Exchanges.

From our recent exchanges we learn that many of the schools are very busily engaged in debating contests, track meets, tennis tournaments, graduation exercises, and preparations for a Shakespearean celebration or other similar activities.

We acknowledge the receipt of the following papers:

Alumni Notes.

Miss Edith Neal, '13, of Pickering, Mo., and Mr. Elroy Judah, of Dearborn, were married at the former's home Wednesday afternoon, May 24. The ring ceremony was read by Rev. M. M. Goode of St. Joseph. The home was decorated with swansonia blossoms, snowballs and bridal wreath. Miss Bernice Wysong of Clinton, a niece of the bride played the Mendelssohn Wedding March for the entrance of the bridal party, and "Humoresque," during the ceremony. After the ceremony Miss Eugenia Hull sang "There Let Me Rest." A three-course luncheon was served after the ceremony.

The bride was graduated from the Normal school in 1913 and has been teaching since that time. Mr. and Mrs. Judah will make their home on a farm near Dearborn.

Miss Elizabeth McCormick, '13, who taught in Hopkins the past year, will teach in the Bolekow High School the coming year.

Miss Anna Laura Bainum, '14, who has been assisting in the Home Economics department the past year, has accepted a position in the Jameson High School for next year.

Miss Dale Hoffman, '14, who has been teaching in the primary department of the public schools in Shenandoah, Iowa, will go to Tucson, Arizona, this fall. She will teach primary work there also.

Senior Notes.

President Richardson called a short meeting of the Senior class Tuesday morning, May 23, just after assembly. All Seniors were highly delighted when he told them that they were dismissed from all classes except Training school, until Friday morning. This allowed them extra practice on both the Senior play and the pageant.

Many of the Seniors who are not attending the summer session are at their homes now. They will return June 5, in order to be here for play practice.

New Eureka Officers.

At the Eureka meeting Thursday, May 18, the following officers were elected for the summer term:

Lowell L. Livengood.....President
Miss Verna Clark.....Vice-President
Miss Thelma Roberts.....Secretary
Miss Edith Holt.....Treasurer
W. A. Power.....Sergeant-at-arms

Many former Eurekans are in school this summer.

With these and those who have been here during the year the Eureka are planning to give some good programs. All students are invited to attend our programs which are given each Thursday evening at 4:00 p. m. Come and enjoy the hour.

Juniors Give Annual Party.

The Junior class entertained the members of the Senior class and faculty with an informal party on the evening of May 25. As the guests arrived, they were first served to punch and then ushered into the east gymnasium, where a huge checker board was drawn out on the floor. A game of human checkers then ensued between the Seniors and Juniors. The Senior team was captained by Ralph (Pig-iron) McClintock and Obe (Tubby) Williams. Williams won after an exciting contest.

The guests were next entertained by an "olden time tilt" staged by "ye gallant Knights" Williams and Sawyers. The Knights were completely clad in armor, the said armor having a striking likeness to mother's kitchen utensils. The mounts, that were ridden in this mortal conflict, were bay horses which are stabled in the gym, and are raised (also lowered) by Mr. George Palfreyman, who is a very horsey individual, as his name would indicate. Two esquires assisted each knight by furnishing the motive power for the horses. Sir Torch (Sawyers) was unhorsed and Sir Tubby (Williams) was announced victor.

A dungeon of horrors was then visited, in which were found Blue Beard's wives. A museum added to the interest of the occasion by displaying a collection of rare antiques, among which was "Mac's" green eye shade. Other members of the Senior class and of the faculty were gently slammed by this collection of eccentricities.

A polite and refined vaudeville constituted the rest of the evening's entertainment. The vaudeville show was presided over by Father and Mother Cory (Maurice Fitzgerald and Merle Levy), who were assisted by the Cory twins (Bruce Wilkerson and Vida Heflin). The numbers were announced by Mother Cory and different faculty members and Seniors were called on to give these numbers. Professor Osburn was given the Binet test and it is said that he failed absolutely. Professor Cook was asked to make a speech on "Theodore Roosevelt the Greatest American." Mr. Cook was so abashed with joy and the conferred honor that he could not speak. This was much regretted, as he is known to be an ardent advocate of the Big Stick?? Mr. Swinehart won renown for his wonderful accompaniments on the piano. He is really a very accomplished musician, and it is said that Mr. Schuler is worried lest Mr. Swinehart get his position, as Mr. Swinehart's head compares favorably with Mr. Schuler's.

After the valudeville, a two-course luncheon was served in the library. Small green and white, and gold and white baskets of mints were the favors. The two-color combinations are the Senior and Junior colors respectively. A victrola furnished music during the luncheon.

Miss Elizabeth Sobbing spent Sunday, May 28, with her mother in Hopkins.

Miss Edith Callahan visited relatives near Wileox May 28 and 29.

When 22 years of age.....	1000
When 24 years of age.....	1150
When 25 years of age.....	1550

Total salary for 7 years.....\$7337.50

Notice that at 25 years of age the
better educated boys are receiving
\$900 per year more salary, and have
already, in seven years, received \$2250
more than the boys who left school at

14 years have received for eleven years' work.

It pays to Continue your studies.
Every day spent in School pays the
child Nine Dollars.

Here is the proof:
Uneducated laborers earn on the
average \$500 per year for forty years,
a total of \$20,000.

High School graduates earn on the
average \$1000 per year for forty years,
a total of \$40,000.

This education required 12 years of
schooling of 180 days each, a total of
2160 days in school.

If 2160 days at school add \$20,000 to
the income for life, then each day at
school adds \$902.

**The child that stays out of school to
earn less than \$9.00 a day is losing
money, not making money.**

To Hear Roosevelt.

N. C. Wagers, Harry Clayton, Earl
C. Borchers, Bruce Wilkerson and Miss
Carrie Coler went to Kansas City May
30 to hear Colonel Roosevelt.

Warren Breit left for Savannah Fri-
day May 26, for a short visit with his
parents.

Miss Harriet Van Buren spent May
26-30 with Mr. and Mrs. John King
in Hopkins.

Miss Fannie Albright visited Miss
Edith Callahan May 22.

Changes in the Staff.

Several changes have been made in
the staff due to resignation of former
members and then some are not in
school this summer. The Philo repre-
sentative, Miss Lucile Snowberger, is
not in school. Her place is taken by
Miss Anna Marjorie Halasey. As yet
the Execelsiors have not elected anyone
to fill the vacancy of Viron Bird, who
is not in school. Miss Eleanor Richie
has resigned as Senior class representa-
tive. No one has been appointed to fill
this place. Maurice B. Fitzgerald has
been elected to take the place of Verne
L. Pickens, the former Eureka rep-
resentative.

Opposed to Display.

An old janitress employed at a col-
lege dormitory overheard a group of
girls discussing a gift of \$10,000 which
recently had been given to the school
by a rich alumnus. She loved to gos-
sip, so she joined the group. "Well,"
she commented, "I think it's nice, for
them that's able, to give presents to
the college, but I don't think they
ought to have their names stuck up
all over the campus. I see Alma Mater
has got her name up over the en-
trance!"

Airy-Perrin.

Miss Neva Airy and Lona Perrin were
married at the home of the bride's
mother, May 4, at 7 a. m. The cere-
mony was read by Rev. Gilbert S. Cox,
the ring service being used. Mr. and
Mrs. Perrin left the same day for St.
Paul, Minn., where they will make their
home. Mrs. Perrin was graduated from
the Normal in 1913. Since that time
she has been teaching. Mr. Perrin, for-
merly a student and star basketball
player here has been employed as tel-
egraph editor on the Des Moines Reg-
ister and Leader. He just recently ac-
cepted a position on the copy desk of
the St. Paul Pioneer-Press, a large
daily paper of that city.

Dealing of the Doleful.

Solemnly, mournfully dealing its dole,
The five-thirty bell is beginning to toll.
Put up the curtains and let in the light,
Toil comes with morning in spite of

If you are hungry just rush out your

Bump into everyone whom you must

Slave through the day and slave throu

Gee! but this Normal life is a fright!

Kith and Kin.

"Mabel, what did you and Frank
talk about last night?"

Well, father, we discussed our kith
and kin."

Kid brother—"Yeth, I heard Frank
say, 'Mabel, kin I have a kith?' and
Mabel said 'you kin.'"

An Item of Interest.

Over five hundred eighty students
have paid their incendiary fee. When
they have enrolled all former records
of enrollment will be broken.

Famous Red-Headed Persons.

Perhaps the following statements
will relieve some of the prejudice which
they have against the so-called red hair.
The list of red heads who did great
things is a long one. Julius Caesar,
world genius, was red-headed. So was
Robert Bruce, and so was Queen Eliza-
beth. It is reputed that Helen of Troy
Hido, Cleopatra and Alexander the
Great were red-headed. It was said of
Thomas Jefferson that "he had the
reddest head in Albemarle county." Swinburne, the poet; John Bunyan,
author of Pilgrim's Progress; Schiller,
the poet, all had polls of blazing red.

Spoke in Grant City.

Harry A. Miller, head of the depart-
ment of reading and public speaking,
gave the commencement address to the
rural graduates of Worth County Sat-
urday afternoon, May 27. The subject
of his talk was, "Get a Vision." The
main idea of his address was to have
high ideals and work up to them, to
give the world your best effort, to fit
into the place that is suited for you.

Miss Helwig Home.

Miss Katherine Helwig who has been
attending the University of Chicago
the past year has returned to Maryville.
She is assistant in the department of
Mathematics.

Miss Teresa Ford of Bedford, Iowa,
was the guest of Miss Elizabeth Sob-
bing May 21 to 23.
